Behram,

I am just following up on my prior message. Please let me know when you have time to discuss. I do not want to delay, as our custodial document collection and review is on hold pending the resolution of several threshold issues related to search terms. I anticipate that you and I will be able to work through these issues expeditiously, and I look forward to speaking with you.

Thanks,
Frank

Subject: Valsartan: Search Term Discussion

Behram,

Mylan has identified a few discrete issues related to the plaintiffs' custodial search terms that have arisen during the document collection process. I would like to discuss these issues with you. Please let me know if you have some availability for a call with me early next week.

Thank you.
Frank
